Dear Councilmember,

We demand a government that is accountable to all of us, not just wealthy mega-donors and outside interests. I support DC’s Fair Elections Program, a small donor empowerment program in the District, which will reduce the influence of big-money campaign donors and amplify the voices of everyday DC residents. DC Fair Elections allows candidates to focus their attention on people like me to support their campaign, instead of wealthy donors. I urge you to support DC Fair Elections and to be a leader in ensuring that our government is of, by, and for the people.
